The city of Montpelier having laid a 10-inch water main down the Barre road and through the MARVIN FARM, all of that part of the farm on the west, or upper, side of the road is offered for sale at improved farm prices, and will be divided into plots of two acres (10 rods on road) or more, as one desires. This gives any person who desires to live in the country and own a piece of land so that they can raise fruits, vegetables, poultry, etc., all city advantages such as fire protection, five-cent carfare to either city, as well as free transportation in cars to city schools.

The above photo is a part of the frontage of a 10-acre plot which, with the outlay of a small amount of money, would make an ideal summer or all the year around home. At the rear of where the house would stand on the terrace at the edge of the woods, where there is now a trout brook, a fish pond of an acre or more could be built at very little expense, as the brook is supplied by springs which have never been known to fail.

CLOSE SHOOTING COMPETITION.

Frank Adams of Barre Just Defeated Dr. Barr of Montpelier.

One of the largest galleries of the season wended their way yesterday to Riverside park, the trap grounds of the Montpelier Gun club, to attend the annual Fourth of July trap tournament conducted jointly by the Barre and the Montpelier clubs. The feature event of the day was the contest for high net score, but two events being called for by the officials of the day—the other a handicap shoot. Conditions for the tournament were ideal, not a trace of wind to quiver the flying pigeons and the atmospheric background was excellent. The chief event of the day was taken by Frank Adams of Barre, state champion.

The Barre man was obliged to extend himself to his utmost in order to cop the handsome silver cup offered. When the trap tender had let loose the last bird of the 100 called for during the day, Adams and Dr. Barr of Montpelier were on even terms, each having shattered 96, an extraordinary good day's work. To decide who would take the cup, he who broke the greatest number of the next 25 birds was to be the winner. At the conclusion of this set each man had broken 23. Another set was ordered. The state champion succeeded in demolishing 24 of the flying birds and Dr. Barr fell but one behind him.

The excellent shooting was not alone confined to the two above mentioned. Harry Moulton of Montpelier followed closely by smashing 94 of the birds and Douglass Barclay of Barre fell but two birds behind Moulton.

The silver cup offered for the handicap event was captured by Megrath of Montpelier, who was handicapped with 14 birds. The result of the net score is as follows:

Frank Adams	96
Dr. Barr	96
Moulton	94
Barclay	92
Megrath	88
Walton	84
Abbott	82
G. Milne	68
A. Milne	57
